How
about it?
Ragna

Will
you...

Exterminate
ghosts with
me?

So
did you
decide...

I must learn
more...

If I don't
break them,
I probably
can't complete
the ritual!

...To
break
the
rules?

Is that
out?

I
KNOW
THAT!!

You're the
one who want
to bring out
the false.

You
made it
this way

It's
alright
then.

Is
that
good.

第8話

According
to Lucie,

Your
father's
spirit?

It must
be another
strange story
that he
created.

.....

Among the
knights is a
"ghost"
of my
father.

The "ghost"
he speaks of is
more like the
stories being told
on my father's
memory.

It's just a
metaphorical
expression.

It's not as
though my
father's spirit
is actually
wandering
around.

*So it
couldn't
really be a
spirit?*

*Only a
metaphor,
eh...?*

*If I
was
still a
child,*

*perhaps
that
would
make me
happy.*

*But that's
not the
case now.*

*If only I was
allowed to
see him
again...*

*Even if
it was a
ghost, I
wouldn't
care.*

After you
heard about
your father's
story from
that knight...

That's

It's not
because
you grew
up

...

Wouldn't
meeting
him be
frightening?

THE
KING-SAMA
I KNEW,

AND
OLD.

WAS
SMART...

Kind to
me.

Father
was

EXCEPT
OLD
MURKITT,
AS A
SON.

HE
FOLLOWED
EVERYONE
IN THE
COUNTRY,

No matter what
anyone says, that
is an undeniable
fact.

A Cold
person.

Definitely.

That's what
kind of
person he
was...

When...

At
that
time,

The one
holding
my hand,

No...
*I can't say
"definitely"*

...

*Was
not
my
father.*

Anyhow,

I wasn't
alone,

So it's
all good.

I see.

it would be
good if you
ask someone
who knows the
answer about
that.

That is likely
the reason why
I have the same
appearance
as you.

What do
you mean?

.....

THERE
MUST BE
LIMITS...

TO HOW
OBNOXIOUS
ONE CAN
BE...!!!

That...

Ran-
teen.

I'm sorry,
but I'll say
the same
thing every
time.

Thank
you for
waiting.

These
are the books
about the
Sage's
appearance.

The
one
who
knows
the
answer.

If you
keep bringing
me so many books,
then there's no
point. I can't read
all that... really.
This is...

...That's
not what I
mean...

Why?
None of these
books are in
the ancient
language so
you should be
able to read
them.

You
can't
read
these
?

Is it alright to do only that much?

Can't you simply explain it to me orally?

Anyway, if it's only the information in your head, that's fine.

Even though you would get a deeper and broader understanding if you read the books?

Not really.

Then for now "that much" is good enough.

.....

Let's change the subject.

For now, I will explain it in simple terms.

With the promise that you will read and understand the rest of the information at a later date.

Then

In the
first
place,

A dream is the
manifestation
of a person's
psyche.

The
"Arussumente"
is no
exception.

The sage's
appearance is
derived from
the heart of
the one who
experiences the
dream.

The
sage
from
the
heart

Ah...

I've heard
that
phrase
somewhere.

That's
right.

We spoke
about it
before.

There is no doubt.

The word
"Sage"...

What kind of
image do you
have of it?

First
of all,

That
was...

But since you
never asked
me, I never did
in the end.

I had
already
summarized
the relevant
information
in order to give
it to you.

Is that so?

"Wise"
...?

In other
words, what
does "wisdom"
mean?
...Kind of like
that.

From your
perspective,
what does
"wise"
mean?

I see.

Yes, like
that...

A wise
image,
right?

Moving
on,

What about discernment?

Intelligent?
So you say it's the amount of knowledge someone has?

It means intelligent, I guess.

Depending on the person, the definition is different.

Ah... I see.

From my perspective, "wisdom" is...

So then...

If you think like that...

It's
probably

Something that
"can never be
wrong"...

So
you are
trying
to say...

That the
"Sage"
is expressing
this image...?

The dream sage
embodies that
"can never be
wrong"
mentality that
you think of.

Probably
when you
hold the
Amusement's
ritual

Indeed

I
see.
That's

What's
wrong?

No...

It's
nothing

It's
that sort
of thing.

It was an
existence born
out of my
own self-
confidence...

It's like what
Lante pointed
out before...

Incidentally

I don't
know if this
is useful or
not, but...

Are
like your
nickname.

Yes...

really...

But not
always.

The
appearance
of the
"Sage"
character

In most cases,
is placed as
Card 8,
"Force".

Does not
only refer to
physical
power.

"Force"

The power of
persuasion
is also
"Force"

There is
a high
possibility
that person
is the
"Force" of
that world

The "Sage" is
recognized
as the dream
lord.

Because
of that.

People think
that a "wise
person" is
someone who is
most likely
obediently
listened to

Hello

Is Paris
here?

The
possibility
is high...

Because
of
that

It does not
necessarily have
to be a human to
wisely persuade
someone.

THE
"JAGE"
IS NUMBER
001

What's
this?

What a
coincidence!

I needed
to talk to
Angel as
well

This saves
time. Good,
good

What
do you
want?

Right now
we're in the
middle of an
important
conver-
sation...

Ah,
Hazel

Are you
familiar
with it?

He said a
squad saw it
of a market in
Yor Harbor.

The title is
difficult and
he can't
read it

This is
the case
Paris
asked for

Here it
is

WHAT
?!

it's not a
problem

Then do
you mind if
I borrow
Angel?

WAIT
A
SECOND
!
WE
WERE
STILL
FAC-
ING
!

Obviously
We already
finished

The im-
portant
conver-
sation?

...So,

AND

Okay then
let's go Angel

PART-
TEEN
!!

黙

You can see
the results of
our special
training!

Well, it's like
a festival.

So Angel
doesn't
know about
it...

It's an
event for
the
knights.

Lately
it's been
remarkably
peaceful
right??

Long ago,
they did these
activities
on the
battlefield
but,

Right??

You can see
me look
really cool!
Don't you
want to?

WE DISPLAY
OUR INCREDIBLE
STRENGTH IN
THIS FESTIVAL!

THE KNIGHTS'
AWESOMENESS
WILL BE MORE
APPARENT!

IT'S
A
SPECIALTY
!!

RIGHT!

Please don't
misunder-
stand!

Of course
peace is not
something you
say no to

AN

...I believe we
were talking
about going
to the
laboratory?

That's
right! The
laboratory!

That's
what it
was, yes,
that's what
it was!

What were
we talking
about?

.....

...Is he
alright? I
wonder...

So, about the
laboratory...

Because it's
a knight's
event!

The laboratory
is responsible
for all of
those prepara-
tions,

At the
time of the
match,

Fireworks
are
launched!

You
want to
go!

Because of
that,
there will
be fights
and such!

Yes
and
that!

Right?!

"Right?!"

Well,

Even
if he
says
that...

What

Just tell me
what this
"right" is
supposed to
mean...

SLAM

What do I see...

My condolences

Angel-dono.

You've been trapped quite beautifully

Just as
he said.

You're
obediently
sitting and
waiting
aren't you?

I was
trapped
...

You were
trapped.

And so
easily
too.

Lente
could trick
someone like
you as easily
a child would
have been
tricked.

That
guy is

A
good
liar.

You'd
better be
careful.

And a
genius as
well.

Just
"A nobly person
who can do his job,
but is always flap-
ping his mouth,
being flashy, and
making light of
everything."

Perhaps
Angel-dono
thought of
that guy as

Is
that
so...?

Yes,
it's
true.

Am I
wrong?

...The
fact
that you
still didn't
know,
is
amazing.

...I didn't think
of him as "just"
that, but...

...He's
different?

Well,

At first
glance he is
that way.

What do
you mean...

Ah.

That
reminds me,
we haven't
introduced
ourselves
yet.

You're
famous.

So you
probably
don't know
about me.

I at least
know your
name.

Ah...

Ja-

That's
not it

Now,
now.

You can't
call me
that.

"Strategist"

I was one
of those
once.

Please
call me
"Strategist"
